Applicant has received a notice that the signature of one of the inventors of the above-identified application, Robert Opiela, is missing. However, after careful review, applicants are unable to identify any deficiency in the declaration filed. A declaration with Mr. Opiela's signature was filed and received in the PTO on June 4, 2002. A copy of that declaration signed by Mr. Opiela is enclosed, along with copies of the other documents filed with it and a copy of the postcard stamped by the PTO as received June 4, 2002. Applicants are unable to find any errors in the declaration papers to correct.
